Description

We're always searching for "one-of-a-kind" presents this time of year. Here's your chance to scope out hundreds of them. More than 500 artists, artisans and designers display art glass, paintings, furniture, ceramics and other gift items just in time for the holidays. A portion of ticket sales benefit the Children's Memorial Hospital Foundation, and proceeds from ticket sales of tonight's opening event benefits Children's Memorial Hospital.
